Comments	<p>Vebe Floorcoverings b.v. certifies the supplied products to meet the requirements as specified and stated in the last editions of the technical information. The products have been produced and tested according procedures agreed in our quality system (ISO 9001). The tests have been carried out according to the prescribed standards. During normal use, maintenance and cleaning procedures, the mentioned products will be guaranteed for a period of 1 year on the carpet-properties and UV-resistance. Due to Sunshine (UV radiation) and / or moisture the color of the fibers will change in time. This is usual for the mentioned products. With artificial grass, weather conditions may cause shrinkage of ± 2%.</p>
